Isolation Gowns, AAMI Level 2, Universal Size, Yellow

Item # DEM-1004 | Prepared per OSHA HCS 29 CFR 1910.1200 | Rev. 1.0

1. Identification

Product name	Isolation Gowns, AAMI Level 2, Universal Size, Yellow
Item #	DEM-1004
Recommended use	Single-use protective isolation gowns for patient care, dental procedures and isolation areas (AAMI PB70 Level 2).
Restrictions on use	Not for surgical use or high fluid exposure. Do not reuse.
Manufacturer	Demo Manufacturer01, 100 Demo Way, Anytown, USA
Phone	(555) 010-0100
Emergency phone	(555) 010-0199 (24 hours)

2. Hazard(s) Identification

Classification	Not classified as hazardous under the OSHA Hazard Communication Standard (29 CFR 1910.1200). This product is a manufactured article and does not release hazardous substances under normal conditions of use.
Label elements	Signal word: None. Hazard pictograms: None. Hazard statements: None.
Other hazards	None known.

3. Composition / Information on Ingredients

Polypropylene SMS nonwoven fabric	CAS 9003-07-0, primary component
Knit cuffs	Polyester
Other components	Pigment in trace amounts
Hazardous ingredients	None at reportable concentrations.

4. First-Aid Measures

Skin contact	Not expected to cause irritation. If irritation occurs, remove the gown and wash the affected area with soap and water.
Eye contact	Not expected under normal use. If particles or debris enter the eye, rinse with water for several minutes. Seek medical attention if irritation persists.
Inhalation	Not a likely route of exposure.
Ingestion	Not a likely route of exposure. If swallowed, seek medical advice.

Isolation Gowns, AAMI Level 2, Universal Size, Yellow

Item # DEM-1004 | Prepared per OSHA HCS 29 CFR 1910.1200 | Rev. 1.0

5. Fire-Fighting Measures

Extinguishing media	Water spray, foam, dry chemical or carbon dioxide.
Specific hazards	Combustion may produce carbon monoxide and carbon dioxide. Melting material can cause burns.
Protective equipment	Firefighters should wear self-contained breathing apparatus and full protective gear.

6. Accidental Release Measures

Procedures	No special measures required. Collect product and place in a suitable container for reuse or disposal.

7. Handling and Storage

Handling	Handle in accordance with good hygiene practices. Single-use only; do not reuse.
Storage	Store in original packaging in a cool, dry place away from direct sunlight and heat sources.

8. Exposure Controls / Personal Protection

Exposure limits	No occupational exposure limits established for this product.
Engineering controls	None required.
Personal protection	None required for handling the unused product.

9. Physical and Chemical Properties

Appearance	Yellow nonwoven fabric gown with white knit cuffs
Physical state	Solid
Odor	Odorless to slight characteristic odor
Solubility in water	Insoluble
Flash point / flammability	Not applicable (solid article); combustible if exposed to fire

10. Stability and Reactivity

Chemical stability	Stable under recommended storage conditions.
Conditions to avoid	Excessive heat, open flame and prolonged direct sunlight.
Incompatible materials	Strong oxidizing agents.
Hazardous decomposition	Carbon monoxide and carbon dioxide when burned.

Isolation Gowns, AAMI Level 2, Universal Size, Yellow

Item # DEM-1004 | Prepared per OSHA HCS 29 CFR 1910.1200 | Rev. 1.0

11. Toxicological Information

Acute toxicity	Not expected to be toxic under normal conditions of use.
Sensitization	Latex-free. Not expected to cause skin sensitization.
Carcinogenicity	No components listed as carcinogens by IARC, NTP or OSHA.

12. Ecological Information

Ecotoxicity	Not expected to be harmful to aquatic life.
Persistence	Not readily biodegradable.

13. Disposal Considerations

Unused product	Dispose of in accordance with federal, state and local regulations.
Used product	Items contaminated with blood, body fluids or other infectious material must be handled and disposed of as regulated medical waste.

14. Transport Information

DOT	Not regulated as a hazardous material.
IATA / IMDG	Not regulated.

15. Regulatory Information

OSHA	Not hazardous under 29 CFR 1910.1200.
FDA	Regulated by the FDA as a medical device. See product labeling.
TSCA	All components are listed or exempt.

16. Other Information

Date prepared	October 28, 2026
Revision	1.0
